

## QUALITY POLICY

GECSA, Conductores y Conexiones Especiales, S.A. has the objective and commitment to offer its customers products and services based on quality that meet expectations and needs.

To ensure compliance with our responsibilities to our customers, employees, partners, suppliers and shareholders, our Quality Commitments are as follows:

- ✓ Knowledge of the needs and expectations of our clients and stakeholders, to achieve their satisfaction.
- ✓ Compliance with the applicable legislation and regulations, as well as the commitments adopted.
- ✓ Improvement of our training and education through the continuous training plan, in order to guarantee the quality and competitiveness of our products.
- ✓ Improvement of our productive means through a management and manufacturing system based on “Lean Manufacturing” concepts.
- ✓ Involvement and collaboration with our partners and suppliers to improve the quality of our products and service to our customers.
- ✓ Integration of social responsibility and ethical standards in our business activity.
- ✓ Participation of all GECSA staff with a commitment to continuous improvement and response capacity.
- ✓ GECSA adopts the Quality Management System according to the international standard UNE-EN ISO 9001: 2015 to manage this Quality policy.

Our business and personal success depend on the constant dedication to these principles.

Signed: Jose Javier Barandiaran
